Washington, D.C. 20510-2805

Dear Senator Heller:

On behalf of the Women Veterans Advisory Committee (WVAC), a committee chartered by the Nevada Governor, I write in support of the Women Veterans Access to Quality Care Act, introduced by you and Senator Murray.

The purpose of the WVAC is to support and assist the State Women Veterans Coordinator in locating, educating, and advocating for all women veterans in Nevada. The members of the WVAC are veterans and committed to serving the needs of women veterans. Your proposed legislation certainly supports our women veterans. The WVAC supports the purpose of your bill, which would improve health care services for women veterans who access services through the Department of Veterans Affairs (VA).

Thank you for introducing this legislation and for your continued support of America's women veterans. Your attention to the unique needs of our women veterans is greatly appreciated.

Sincerely,

A handwritten signature in black ink, reading "Anne L. Davis".
